## PRINCIPAL'S SECTION

On behalf of all the staff at Trillium E.S., we wish you and your family a healthy and happy new year!

We are experiencing some unpredictable weather conditions which require our students to be dressed for all types of winter play. Please ensure the students have warm winter clothing and boots for cold weather play as we head into the coldest months of the year.

Due to ice and hard ground conditions the play structures are closed every winter. Please remind your children to stay off the structures after hours in order to stay safe.

## VICE-PRINCIPAL'S SECTION

Welcome back to school after a restful Winter Break. In 2018, we will continue to build our mindful awareness as a school community and explore how we can positively impact our own learning and the environment around us. Each morning on the announcements, students will continue to have the opportunity to share how they practise mindfulness at school and at home. Our school character focus for the month of January is **Acceptance**. Our OCDSB Character Wheel offers the following message on acceptance: *I reach out to include others. I accept others for who they are. I am gentle with myself and others when mistakes are made.*

### TRIPLE BALL

On December 8th, our Trillium Junior Girls triple-ball team came in first place at the regional tournament. The girls won all the sets they played. It was a real demonstration of true sportsmanship and solid team play. In the finals, we won against Henry Munro in 2 sets with a lead of at least 5 points in each set. Thanks to the following grade 6 players for their dedication and commitment to the team: Sarah, Paige, Rania, Jaida, Samantha, Ava, Cailyn, Olivia, Rosa, Kiki, Renée and Annika. Two grade 8 girls also helped this team to progress and shine...Thanks Julia and Flame! It was certainly another great day for everyone to be part of Trillium.

### JUNIOR AND INTERMEDIATE BOYS VOLLEYBALL

Mr. Romeo and Mr. Blacker would like to congratulate both the Intermediate and Junior Boys Volleyball teams for a great volleyball season. The Intermediate Boys team played hard in all 3 tournaments they were involved in being named as the most improved team. The Junior Boys team played extremely well in their tournament at Henry Larsen placing second and winning the silver medal! Great work boys you once again made Trillium proud with your hard work, sportsmanship and all around athletic ability!

### INTERMEDIATE GIRLS VOLLEYBALL

Great job girls!!

### EARS NEWS:

**Batteries:** During the busy holiday season, it is apparent that we use batteries in many different items. The greatest environmental concern surrounding batteries is the impact they have at the end of their lives. It is estimated that around 94 per cent of dead batteries end up in landfill - and this is where the most serious problems start.

**Batteries are identified as a problem material in the waste stream.** Batteries are made from a variety of chemicals to power their reactions. Some of these chemicals, such as nickel and cadmium, are extremely toxic and can cause damage to humans and the environment. **If you have small batteries (AAA, AA, C, D types) that no longer work, you can send them to school with your child. We have a special box in the front office, especially for the recycling of batteries.**

**Compost:** Our green bin program has been in effect since January 2014 and since then, the **equivalent of 8 green bins** (the 80L type that you have at home) is put out **every week!** That is an ENORMOUS amount of garbage that Trillium's students and staff have been able to keep out of the landfill. Kudos to us! In order for this program to continue being successful, we need more newspapers to make our bin liners. The large type of newspaper such as The Citizen, The Globe & Mail, etc. If you receive these newspapers at home, please save them for us and drop them into the labelled box, in our school foyer...or send them with your child. This is VERY MUCH appreciated! **Also, last year, our EARS started selling bin liners. Should you wish to purchase some (.10¢ each, 25/\$2 or 60/\$5), simply send your request to Mme Sylvie, in room 5. Take care of the Earth...it's the only one we have!**
