## PRINCIPAL'S MESSAGE

Thank you to all the parents for your support over the school year! I also would like to congratulate all the students for their hard work and their commitment to demonstrating good character and citizenship. Each day our students have been supported by a dedicated staff of teachers, early childhood educators, educational assistants, office staff, library staff, daycare staff, and custodians. Also, the dedication of our School Council members as well as our parent volunteers has been crucial to the success of our students. At the end of this month we will be saying goodbye to our grade 8 students. We wish them the very best in high school and thank them for their contributions.

I wish you a safe and happy summer.

## Class Organization for September

The implementation of Primary class size capacity requires that class lists will remain fluid during registration in August in order to meet the class size capacity requirements set down by the province. The following tentative school organization is based on the enrolment and program requests for next year. Please remember that between now and the middle of September an organizational change is not only possible but probable based on enrolment fluctuations and Primary class capacity.

We are presently working on our classroom organization for next year. Parents wishing to make special requests for their child's class placement for academic or social needs may do so in **writing to me by Thursday, June 7**. I would also kindly request that you do not make requests for particular teachers. It is not always possible to meet all requests that come to me when dealing with the complicated process of class placement; however the teachers and I work very hard in looking at each child's academic and social needs.

## Tentative Organizational Structure

English	Early French Immersion	Middle French Immersion
1/2 or 1/2/3	JK/SK	4/5
3/4 or 4/5	1	5/6
5/6	1/2	7
7/8	2/3	8

- **First Day Routines**

The school day is from 8:30 a.m. until 3:00 p.m. On September 4, 2018, children in grades 1 to 8 are asked to gather in the yard at the rear of the school, beginning at 8:15 a.m. Staff members will be wearing their name tags and brightly coloured vests and will be in the yard equipped with class lists. We will be hard to miss!☺ Staff will be approaching the students to direct them to their homeroom teacher, who will have placed a sign and class list on the school wall.

If you, or your child, are in anyway unsure, do not hesitate to ask a staff member. At the sounding of the entry bell, students will proceed inside to begin their day. In the case of a rain storm, all grade 1 to 8 students will go to the gym.

### Grade 8 School Leaving Ceremony

Our School Leaving Ceremony will be held Wednesday, June 27 at 10:30 a.m. in our school's gymnasium.

Students are encouraged to wear clothes such as golf shirts and khakis for boys and a simple dress, blouse/skirt/pants for girls.

Grade 8 students and their guests will be invited to a reception in the Activity Room following the ceremony. After the reception, there will be a dance for our grade 8 students in the gymnasium until 3:00 p.m. We look forward to seeing you at this year's School Leaving Ceremony.

### NEWS FROM THE EARS

The EARS group have been busy! We recently collected 500 plastic bags for the "Walmart Grab Bag Challenge" and throughout the year, we made posters, cleaned up the school yard, planted tulip bulbs, weeded some of our gardens, completed energy audits and applied for a city grant that enabled us to get two trees planted in our school yard. With the help of our green team EARS members, we continued our composting program, experienced continued success with our compost bin liners' sales and wrote and relayed morning announcements with regards to ways of showing kindness to the environment. We also organized a "litterless lunch" week for the entire school and some of the EARS members presented a play entitled "The Giving Tree", during our annual Spring Concert. Last, but not least, we had many insightful discussions on why we need to take care of our beautiful planet. This year again, Trillium ES achieved silver status in the Ontario EcoSchools Certification Program. Mme Sylvie, the EARS leader would like to thank the many students who attended the EARS meetings this year and the entire school community for their support towards all these initiatives. **A reminder that bin liners are still on sale and can be purchased at any time throughout the year: .10 cents each, 25/\$2 or 60/\$5. Time to stock up for the summer months! See Mme Sylvie in room 5, for order forms.**

### NEWS FROM OUR LIBRARY

All of our library books and magazines borrowed by students are due back to our library the first week in June. I would appreciate it if you could help your child(ren) to locate their borrowed items and return them to our library as soon as possible, please (by Friday, June 8<sup>th</sup>, at the latest). Please feel free to contact me for the cost of replacement, if the borrowed items were damaged, or if you are not able to locate them. I am

usually at Trillium School on Monday mornings, or Wednesdays and Fridays, full days.

This year, as always, we continued adding volumes of books and magazines to our collections through purchases and through donations. I would like to take this opportunity to thank TESC for covering the cost of all our magazine subscriptions this year as well as previous years. Also, I would like to thank many of our teachers, parents, and students who have donated a number of very good quality books to our library throughout this school year. Specifically, I would like to extend our thanks and deep appreciation to the two families, **the Hachey's and the Picotte's**, who again surprised us with another very generous contribution to our library by purchasing many new books from our "**Library's Wish Lists**" at the School's "**Spring Scholastic Book Fair in April**". Most of these books have been catalogued and are now being used by our students.

Last, but not least, this year we were again very fortunate to have two returning, dedicated, responsible, and energetic parent volunteers helping us at our library, in different capacities. Our parent volunteers, Mrs. Phuong Luong and Mrs. Sue Webb helped us with different tasks, such as processing and laminating hundreds of our newly purchased and donated books, re-shelving hundreds of returned books, and recording, organizing, and processing our many and diverse subscribed magazines, as well as publishers' catalogues. We also have had a number of very responsible and committed student volunteers, mostly from Mrs. Kenny's class, helping us at our library, from which Lilian N has been an ongoing help right from the start. I am very thankful for all of their help with our library and I am looking forward to working with returning volunteers and other new volunteers in the 2018-19 school year.

I wish you all a happy summer holiday, and I am looking forward to working again with your child(ren) in the new school year.

With warm greetings from the library,  
Neda Habibi, Library Technician

**TIPS TO ENCOURAGE SUMMER LEARNING!**

Every June, students look forward to getting rid of their books and heading off to enjoy two months of carefree living. But studies have indicated that continuous learning over the summer months assists students in getting a better start for the next school year. How can you encourage students to keep learning alive all summer while still letting them enjoy some free time?

**Math:**

- Purchase logic or crossword puzzle books. Buy jigsaw puzzles and complete them with your child. Older children can work on more challenging ones.
- If you have sports fans in your house, encourage them to collect information on player statistics and read about game results in the paper each day.
- Take advantage of car vacations to teach children about maps, directions and distances.

**Writing:**

- To keep writing skills current, buy a notebook and have children record daily activities and thoughts during their vacation. Ask them to reflect on specific events that happened.

**Reading:**

- Participate in the summer reading program at the public library. Visit once a week to sign out new books. Set aside 20 minutes every day for family reading (including parents).
- For younger children, practise the sounds of language by reading rhyming books. Teach your children rhymes, short poems and songs.
