

OCDSB SCHOOL SUPPLIES LIST

The Ottawa-Carleton District School Board has developed a common list of recommended personal use items for K-8 students. This list of supplies is strictly voluntary; parents/guardians are not required to purchase or provide the items listed. **** Please label all items, including individual pencils, crayons, markers, and pencil crayons with your child's name or initials. It is also recommended that all students have a backpack, non-marking shoes suitable for outdoor physical education (**no need for separate indoors and outdoors**), and a lunch bag. Age and development level should be considered when selecting the size and type of these items. For example, students should have Velcro shoes until they are able to tie up laces quickly and independently. An extra change of clothes, socks, and/or outer wear may also be appropriate based on your child's needs and the weather. Please ask your child's teacher for input as needed.****
